GOLF CLUB INTRODUCTION

Takino Country Club

The Takino Country Club was designed by Jun Mizutani, a detective novelist, translator of Ben Hogan's Five Lessons of the Modern Fundamentals of Golf, golf writer, commentator, and a golfer who dominated the literary world. He designed only two golf courses in his lifetime. The course was opened in 1973. This is the only golf course in Hokkaido that Mizutani, a native of Hokkaido, painstakingly designed.

It has hosted the JLPGA Tour Tournament "Eheya Net Ladies" in July 2021.

Takino Country Club是由偵探小說家、本·霍根《現代高爾夫基本功五課》的翻譯者、高爾夫作家、評論員兼文壇佼佼者水谷順設計的。他一生只設計了兩個高爾夫球場。該球場於1973年開放。這是水谷順作為北海道本地人精心設計的唯一一個高爾夫球場。

它曾於2021年7月舉辦了JLPGA巡回賽“Eheya Net Ladies”賽事

GOLF CLUB INTRODUCTION

Makomanai Country Club

The Makomanai Country Club was designed by Nobukatsu Marumo, a doctor of agriculture who conducted the first research on bent grass in Japan by experimentally cultivating bent grass and ryegrass. He was also a professor at the Faculty of Agriculture, Hokkaido University. As a result, 10 of the 31 golf courses he designed in his lifetime are in Hokkaido. The course was opened in 1969.

It consists of the 18-hole Soranuma Course, with its wide fairways and generous undulations that will stir the hearts of strong hitters, and the 18-hole Moiwa Course, with its strategic layout of moderate doglegs and varying course widths that require precise strategy.

the Makomanai Country Club由农学博士丸茂信胜设计，他是日本第一位通过对弯曲草和黑麦草进行实验性栽培而进行研究的农学博士。他还是北海道大学农学院的教授。因此，他一生设计的31个高尔夫球场中有10个位于北海道。该球场于1969年开放。

它由18洞的苏拉努玛球场组成，拥有宽阔的球道和慷慨的起伏，将激发强大击球手的心脏，以及18洞的莫伊瓦球场，具有策略布局，适度的弯曲和不同的球道宽度，需要精确的策略。

GOLF CLUB INTRODUCTION

Hitsujigaoka Country Club

Hitsujigaoka Country Club is one of the most popular golf courses in the Sapporo area and was built on the remains of the cross-country skiing courses used at the 1972 Winter Olympics.

The course runs through the thick forest of birch trees which is typical of the area.

The course is pretty flat with not too many severe elevation changes. On the outward nine the holes are almost all dead straight with not too many bunkers so providing you are straight off the tee you should score well.

The inward nine is a bit more varied with a few doglegs and the pick of the holes is the par 5, 17th which is an S-shaped hole with a pond protecting the front of the green.

Hitsujigaoka Country Club是札幌地区最受欢迎的高尔夫球场之一，建在1972年冬季奥运会越野滑雪赛道的遗址上。

球场穿过典型的白桦树密林。

球场相对平坦，没有太多陡峭的高差变化。在前九洞，球道几乎都是笔直的，沙坑也不多，所以只要您开球直，应该能打出不错的成绩。

后九洞稍微有些变化，有几个弯曲的球道，最引人注目的是第17洞的标准杆5杆洞，是一个S形球道，前方有一片池塘保护果岭的前沿。
